

TMT Sp. z o.o.

Company Introduction

Poland

Łomża

Briefely on the company

TMT Limited Liability Company is located in Łomża, north-eastern region of Mazovia. We started our activity in 1991.

Currently, TMT cooperates both with the largest market chains in Poland as well as individual enterprises. Our products are present at store shelves in the whole country and abroad. Apart from the European Union market, we also deliver our products to the Balkan countries, Ukraine, Iraq, Israel. In September 2012, we joined the circle of the suppliers to the Russian Federation and other countries of the Customs Union (Belarus, Kazakhstan).

Scope of operation

The company deals with confectionery of cheese in slices, pieces, cubes and shreds. Our offer includes production in own brands as well as packaging service.

Grated cheese

Cheese in slices, pieces

Cheese in blocks

Catering, gastronomy

TMT offers both **cheese** and **cheese-like products**. They are available in various forms - **shavings**, **cubes**, **slices**, **pieces** dedicated for pizza, hamburgers, casseroles, sausages. Our products are prepared and designed so that you could use them comfortably and economically while preparing the meals. Our assortment meet the expectations of pizzerias, hotels, bars, fast food restaurants, bakeries, catering companies.

Processed cheese

TMT deals also with producing processed cheese prepared on the basis of the highest quality hard cheese. Always fresh ingredients used in production guarantee their excellent taste and quality.

Processed cheese – like products

In addition, TMT offers processed cheese - like products, which are an excellent alternative to processed cheese. Their advantage is a very good quality and low price.
