The Karkonosze Regional Development Agency

THE KARKONOSZE REGIONAL DEVELOPMENT AGENCY

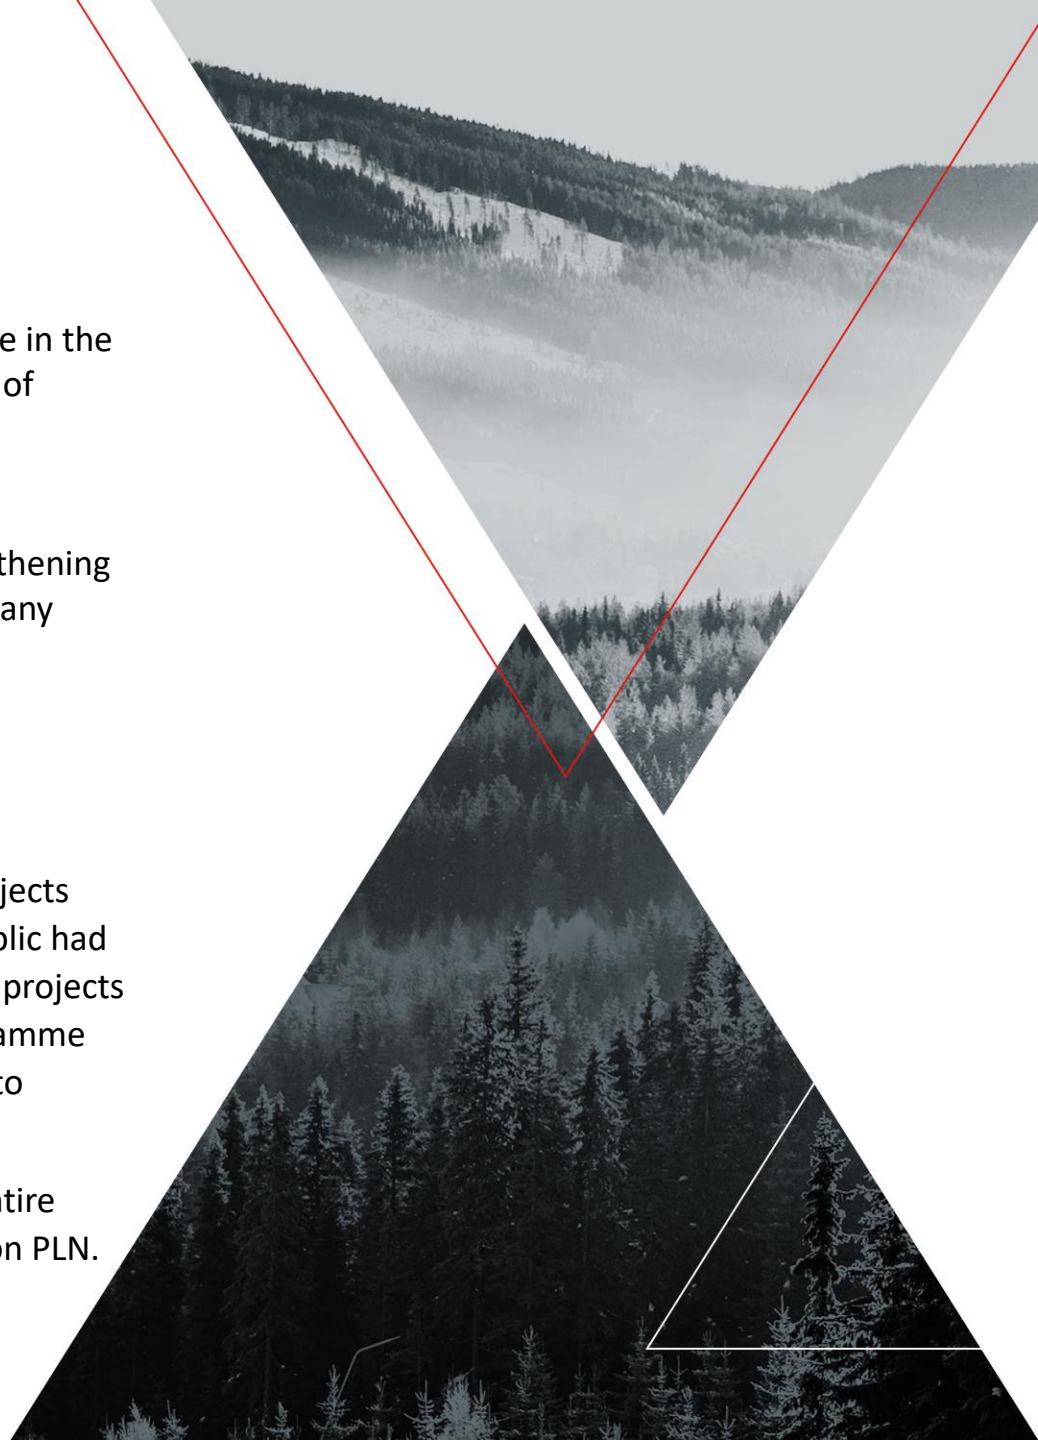

It has been playing a very important and positive role in the development of the SME sector and shaping the life of local communities for 30 years.

For many years, it has been successfully helping our entrepreneurs in developing a business offer, strengthening their potential and contributing to the creation of many jobs.

It has become an important social partner for local government and local communities.

In the previous financial perspective 2014-2020, projects implemented with the Germany and The Czech Republic had a value of approx. 10 million PLN, while the value of projects implemented under the Regional Operational Programme for Dolnośląskie Voivodeship 2014-2020 amounted to approx. 35 million PLN.

The total value of all projects implemented in the entire 2014-2020 financial perspective was nearly 50 million PLN.

WHAT THE KARKONOSKA REGIONAL DEVELOPMENT AGENCY DOES?

- Through training activities, we increase the competitiveness of companies and thus improve their position on the market.
- Selection of available sources of financing at every stage of development allows you to adapt to changing economic conditions.
- Our company mating systems and the Cooperation Exchange expand the network of contacts - including foreign ones.

HOW EXACTLY WE HELP?

- To the persons who have no company.
- To the persons who start business.
- Company customer.
